#### Remarks

This popular San Carlos model features an enclosed AZ room with heat & cool along with a bathroom for an additional 500 sq ft! Meticulously maintained and tastefully decorated with neutral colors and white shutters. Easy care and beautiful vinyl plank flooring throughout, with Saltillo tile in AZ room. 2 bedrooms, 3 bathrooms, living/dining, family room, spacious kitchen with eat-in room, and utility/flex room includes the laundry room and built in desks and cabinets for work areas. Out back there is a pool and gazebo with a pull down shade. The photos are misleading-this elbow lot is much larger-it extends past the fence around the pool. You'll enjoy your low APS bills with the fixed Tesla Solar Lease at only \$149.67/month. The 2 car garage has attached cabinets.
